

FR GROUND GLOVE - BEEF

YOUNGSTOWN GLOVE SKU # 14-3365-60

Youngstown's FR Ground Glove - BEEF is a new spin on our # 1 selling design. We use our proven 3-dimensional and pre-curved glove pattern but this time we produce it with a water-resistant cow grain leather. This beefier leather wears like a catcher's mitt but still offers high levels of dexterity and comfort. We tanned the leather for water resistance to better withstand work in wet conditions. Like our other Kevlar® lined work gloves we bonded the Kevlar® to the leather rather than using a sewn in liner. This method of manufacturing takes much more time but the great advantage is increased dexterity without any sliding, bunching or that annoying 2 gloves in 1 feel with a sewn in liner. If your climate is a bit more wet or you are looking for a touch more ruggedness, try the FR Ground Glove - BEEF.

Kevlar® Lining

Water-Resistant Cow Grain Leather

Reinforcement Layer for Durability

CUT RESISTANT.....	A4 (ANSI/ISEA 105)
PUNCTURE RESISTANT	4 (ANSI/ISEA 105)
ARC RATING	37 cal/cm ² ASTM F2675/F2675-23
FLAME RESISTANT	YES - ASTM F2302

SIZE	YGC SKU #
SMALL	14-3365-60-S
MEDIUM	14-3365-60-M
LARGE	14-3365-60-L
X-LARGE	14-3365-60-XL
2X-LARGE	14-3365-60-2XL
3X-LARGE	14-3365-60-3XL
